CIVIL ACTION NO. 2011-2006

ORDER HOLDING COUNSEL'S  
WITHDRAWAL MOTION IN ABEYANCE

This came before the court on February 28, 2013, to hear the defendants' counsel Motion to Withdraw as Counsel of Record. Since counsel should not be permitted to withdraw if it will cause a material adverse effect on the attorney's client,

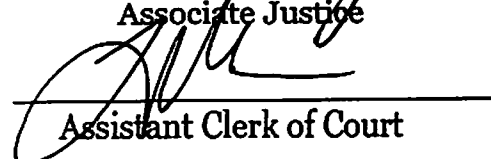

NOW THEREFORE IT IS HEREBY ORDERED that the motion is held in abeyance so that the defendants' counsel can make further efforts to contact his clients to inform them of the situation; IT IS FURTHER ORDERED that counsel make all reasonable efforts to contact his clients and to return their case file to them so that they can obtain substitute counsel; AND IT IS FURTHER ORDERED that the defendants' counsel shall file and serve, no later than April 15, 2013, his report on how successful his attempts were and the results of his efforts. The court will then decide the motion.

So ordered the 28th day of February, 2013.
