

2020 National Law Day Celebration

On July 12, 1981 the Supreme Court of the Federated States of Micronesia was instituted as the highest Court of this Nation. This year marks the 39th Year Anniversary of the Court. It has always been a tradition of the FSM Supreme Court to host annual debates among high school students on July 12. The FSM

National Law Day Committee wishes to announce to the general public and all high schools throughout the nation that due to the COVID-19 pandemic, the 2020 National Law Day Debate will be postponed to September 1, 2020.

The debates will be conducted through video conference for teams that are interested to participate. All schools and students who wish to participate in this year's National Law Day debate must conduct National Justice Ombudsman, Belan Yoma at 320-2357/2763/2764.

The theme for this year's debate is: "Be It

Resolved That The FSM File A Claim With The International Court of Justice Against The More Developed Nations Who Are Host To Large Multi-National Corporations Which Have Contributed Heavily To Global Warming And Climate Change, Seeking Redress And Relief Including Monetary Damages."
