

THE FSM SUPREME COURT IN PALIKIR, POHNPEI

On February 3, 2022, The FSM Supreme Court received 6 senior students from Pohnpei Catholic School (PCS) as part of the school's "Career Day". These students are JJ Weilbacher, Tiara Rachel Lebehn, Maileen Benjamin, Iverson Vince Werthog, Jovan Kilang Oliver Irons, and M-Jay Saimon.

During the whole day visit, the students were given an opportunity and allocated time to meet with the Associate Justice of the FSM Supreme Court the Hon. Dennis Belcourt, Director of Court Administration Mrs. Emeliana J. Musrasrik-Carl, and the Court's division heads and staffs. During each meetings, students had an opportunity to discuss and understand the court system and brief history of the court, and functions of each divisions within the court. The students concluded the day with a tour of the courtroom. Without any proceeding schedule on that day, the students were able to access to restricted areas within that courtroom, and this include the judge's bench, designated areas for the parties involved in a proceeding, and areas for the court's staffs.

The Supreme Court would like to express its sincerest appreciation for the schools and especially the students that have chosen the court as an institution for their 2022 Career Day. The Supreme Court hopes that the visit would be able to assist the students for their future career.
