TO: All heads of Departments, Offices and Agencies

FROM: The Vice President

SUBJECT: Pohnpei State Run-Off Election

The State of Pohnpei will be having its run-off election on Tuesday, December 12, 2023.

Consistent with the work requirements of your Departments, Offices and Agencies, I encouraged you to grant two (2) hours of administrative leave to all National Government employees who are from Pohnpei to allow them to exercise their civic duty. In addition, employees who will be assisting in the administration of polls, counting and tabulation may arrange with their supervisors for an additional day.

Thank you.
